

# TRACHEOSTOMA-FIX® / TRACHEOFIX

TRACHEOSTOMA PROTECTION

- ▶ Adhesive foam filter for laryngectomized patients
- ▶ TRACHEOSTOMA-FIX® / TRACHEOFIX ensure proper cover and protection from dust particles or insects
- ▶ It further humidifies, filters and warms the inhaled air to a certain degree
- ▶ Simple to apply by adhesive stripe on the top side of the tracheostoma; adhesive strength may further be enhanced by use of the OPTIGARD® protective dressing wipe (cf separate data sheet)
- ▶ Comes in different sizes (large L and small S) and different colours (beige or white)
- ▶ Special models:  
TRACHEOFIX® PLUS - with two adhesive stripes, one at the top side, one at the bottom side, to assure a tight fit on the tracheostoma

Keep away from sunlight

Keep dry

Do not reuse

Consult instructions for use

CE marking
